MEMORANDUM TO: Division Engineers

FROM: Christopher A. Peoples, PE   
State Materials Engineer

SUBJECT: Implementation of New Minimum Sampling Guide (MSG)

This memorandum is to remind you of the implementation of the new Minimum Sampling Guide (MSG). All active projects which were let under the old MSG will have the new MSG requirements implemented going forward starting Monday, July 15, 2013.

All new contracts let on or after February 1, 2013 were let with the new MSG requirements.

Please inform your staff and advise them to take any appropriate actions. If there are any questions, please notify me.
